

OUR MINISTRY

Evangelism, Church Planting and Ministerial Training in former USSR.

Thousands have come to Christ in our evangelistic outreaches.

500 Churches have been planted in Ukraine, Russia, Armenia and Belarus. More than 2000 national workers, evangelists and pastors have been trained in our Bible Schools.

God has opened a great and effective door unto us. Our vision is to see many come to Christ and 1000 new churches planted.
